

# WATERFORD TECH MEETUP

The Waterford Tech Meetup is a chance to connect with (and learn from) like-minded people to discuss wide ranging topics of a technical nature.

We meet on the last Wednesday of every month with the aim to have 1 or 2 talks, with ample time for socialising. The event is free and there are spot prizes and complimentary light refreshments.

**WEDNESDAY  
APRIL 25TH**

On Wednesday 25th April we are inviting all interested in joining us for a special meetup that's all about Virtual Reality, with speakers from the award-winning Waterford-based company Immersive VR.

## HARLEY CORKE-OGG

**3D Modeler**

This talk will focus on the advanced techniques behind texturing and modelling human-like avatars.

## BOBBY GREANEY

**Lead Game Developer and Technical Artist**

Exploring the technology behind rendering the latest titles in VR

**25  
APRIL  
AT 7PM**
